Communications Report
For the Executive Board

- Communicated results of Linfield investigation at the beginning of month
- Coordinated to create Salem-Keizer School Board candidate questionnaire and associated web content & social media content
- Coordinated with statewide branches to discuss Environmental Justice communications
- Communicated information relating to hiring opportunities, such as at the Oregon Youth Authority
- Collaborated on social media messaging to raise awareness for School Board vote
- Continued promotion of City of Salem and Western Oregon University discrimination survey
- Visited several downtown businesses to thank them for their continued support of our events (such as The Freckled Bee)
- Put out request for additional support for Communications Committee. No responses have been received for calls for vice-chair volunteers
